Thanks. I was invited to the call with Jim and Nancy today and the call with ADEQ tomorrow.

Nancy also mentioned that she has a follow-up question about the aquifer exemption. I'm not sure what it will entail -- I get the impression it is minor.

Hi Jim,

Are you available for a conference call this Friday, August 4? How about 11 to 12 noon? This would be to discuss your comparison of the draft Class III UIC permit and the draft APP with ADEQ (Dave Dunaway and Vimal Chauhan). This would be covered under the TDM for

developing the comments on the Review of ADEQ's draft APP. Please let me know.

Thanks, Nancy

Morning Nancy and David,

Unfortunately those times don't work for Vimal and I as a group. Do you have any time

available on Friday? Apart from a meeting at 1:30 PM MST, I can move everything else around to talk regarding Gunnison.

Hi Vimal,

Could you coordinate with Dave Dunaway for scheduling a conference call with EPA to discuss the draft APP for the Gunnison Copper Project? We would like to inform you of the differences in the proposed Aquifer Protection permit from our proposed draft conditions. None of the differences are very significant.

Please let me know when you and Dave are available for an hour this week for a conference call. David Albright and I are available this Wednesday (8/2) between 1-4 pm and Thursday (8/3) at 10-11 am or 3-4 pm.

Thanks, Nancy
